**UMMARY OF PUBLIC COMMENTS:** Dave Pavelich, John Messing and Floyd Warren from the Birch Beach Community expressed concerns regarding the Township properties at the end of Schroeder Ave., Beach Ave., Freidt Ave. and the County property at the end of Park Ave. The erosion on the south side of the Park Ave property is extensive and they claim the County will not take any action on the issue. These gentlemen also expressed concern about the growth of vegetation on the slopes (bluffs) of the Township properties. They indicated the community would be willing to assist in controlling this condition and they were also concerned about the safety of the stairs that lead to the lake, particularly for adventurous children. The Planning Commission requested recommendations from the Birch Beach community for improving the future use of these four properties.
